

# **HOCUS POCUS FARM 2017 CSA MEMBERSHIP AGREEMENT**

## Payment:

I understand that once I sign up and pay for my membership in full that I have secured my place in the CSA for the season. In signing up for the Hocus Pocus Farm CSA share I am liable for the full amount of the share. If I fail to pay the full amount on time I will no longer be eligible for the CSA. Payments are due in full by the week of June 12, 2017 when CSA pickup begins.

After the date of the first CSA pickup there is no refund for cancellation. Members may choose to find an alternate person to buy out the rest of the season's share, and the share ownership will be transferred to the alternate person. The alternate person will pay the original shareholder directly.

## Picking up your Share:

I understand that my weekly share will be brought to the pickup location selected. If I am out of town and cannot find a substitute to take my share, I am to notify Hocus Pocus Farm by e-mail or phone in advance so my service can be suspended. I will not receive credit for shares that I suspend. I will inform Hocus Pocus Farm by email 2 days prior to pickup if I am sending a substitute to pickup my share. Alternative pickup arrangements (alternative pickup location or day) can be made in emergency situations only by contacting Hocus Pocus Farm 2 days prior to scheduled pickup.

Pickup time parameters are specific to each location. It is my responsibility to pick up my share during the designated time period. If I am unable to pick it up I will entitle a friend to do so. I understand that if my share is not picked up on the designated day, within the designated time, it will be donated at the discretion of Hocus Pocus Farm.

If I fail to pick up my share for three consecutive weeks without contacting Hocus Pocus Farm, HPF will stop packing my share. Shares will only continue to be packed if I make contact stating that I will be at the next pickup. There will be no refund for the missed shares.

## Sharing the Season:

I understand that as a member, I share in the bounty and the risks of farming, including poor harvests due to unfavorable weather or pests, or the total loss of all crops due to a natural disaster such as flood, drought, or hurricane.

## E-mail:

By signing up for the CSA, I understand that I will be added to the weekly email list. This is how Hocus Pocus Farm communicates updates and changes, as well as what will be in shares each week. Hocus Pocus Farm will not be held responsible for miscommunications due to our e-mails going to your spam folder. Notify us if you do not receive an e-mail within 72 hours of signing up for your share.
